This scholarship honors Amanda Post, who loved being a SAC/HC player, starting with her first two years as a rec team “Blue Angel” followed by seven years as a travel team “Lady Diplomat”. Despite the relapse of her Acute Myeloid Leukemia (AML) in her freshman year at River Hill High School, she continued playing on her beloved “Lady Dips” team while excelling academically and playing on her RHHS girls’ JV soccer team as a starting forward and second highest scorer that year. She was also engaged in a variety of non-academic interests to include playing on a girls’ travel ice hockey team, and fundraised with her family for the pediatric expansion project for the Children’s Hospital at Sinai in Baltimore where she was treated for AML. All who knew Amanda experienced her vibrancy in their lives, witnessed her passion in the classroom, on the field, and in every other venture in which she participated, and were captivated by her joyful zest for living each moment to the fullest.
