Forms may not be submitted online at this time.

Youth in Philanthropy (YIP) is a program designed to introduce Howard County high school students (10th & 11th grade) to needs in the Howard County community and nonprofit efforts to address those needs. Students will work in the community to raise money, build endowment funds, and make grants to non-profit organizations with missions to improve and enhance the lives of those who live in Howard County. Engaging youth in philanthropy is an opportunity to prepare young people to be active, lifelong community citizens.

The selected applicants will be responsible students with a demonstrated interest in the welfare of others in the Howard County community. Acceptance will also depend upon the number of slots available for any given academic year. If you have any questions, please email YIP@cfhoco.org or call the Community Foundation of Howard County at 410-730-7840.
